Bar Menu

Crocante Piccante Shrimp

Crispy, spicy shrimp with boom-boom chili dipping sauce. 10.99

Pollo Parmigiano

This is a mouth-watering slider that features fried chicken parmesan with basil & melted mozzarella, and a smidge of marinara sauce to complete the happy little package. Comes with rosemary fries on the side. 12.99

Favoloso Flat Bread

Our warm, chewy, favoloso (meaning “fabulous”) flatbread combines the flavors of fire-roasted artichoke with fresh mozzarella, basil pesto, and roasted red vine-ripened tomatoes. No meat? So, what? Who cares? 13.99

Brie Fonduta

Warm brie cheese fondue with Granny Smith apple wedges and crusty rosemary focaccia with fig jam. 10.99

Bomboloni Paradiso

Deemed almost too delicious...

this applewood smoked ham sandwich is served on a bomboloni as its bun (some call it a donut because of its powdery sweetness on top... also, because it literally *is* an authentic Italian donut) with caramelized pineapple & pickled red onion nestled inside. Comes with rosemary fries on the side. 9.99

Freaky Fritters

Everyone loves mac & cheese.

These fritters are freaky good because the Monterey Jack cheesiness is infused with a little “bite” of spiciness.

Caution: some find this mac & cheese/heat combo a bit addictive. 8.99

Italian Nacho “Take-Over”

Joeseppi’s “reimagined” nachos include waffle fries topped with your choice of smoked blue cheese or drizzled melted pepper-jack/cheddar - or some of both - and topped with pulled bacon.

Our version may take over as your favorite sports-watching appetizer. 12.99

Cavatappi Calamari

Our corkscrew calamari are lightly dusted with flour and subtle seasoning (not a heavy breading) before being flash-fried.

Presented with our homemade tartar sauce & basil marinara. 10.99

THE Antipasti Board

Authentic Italian antipasti, featuring prosciutto, Soppressata dry salami, and Genoa salami, provolone cheese, fire-roasted artichoke hearts, toasted crostini, and 3 kinds of flavorful olives, served on a fat wood pizza paddle. 14.99

Nudo Pollo

Hardwood smoked naked chicken wings slapped with Carolina reaper sauce. 9.99

Full of It!

A warm bomboloni pastry injected with Nutella.

Watch for oozing as you bite in ... or consider using a utensil.

So good you’ll be saying, “OMG!” all over social media. 6.99

We say to our guests, “Piacere!” (pronounced pee-uh-che-dey), which in Italian means enjoyment and delight, as in ‘A pleasure to see you!’
May your experience at Joeseppi’s be a true piacere. Enjoy!
